TRIBUTE TO A SMILE

"A smile is quite a funny thing;
It wrinkles up your face
And when it's gone you never find
Its secret hiding place.

But far more wonderful it is
To see what smiles can do;
You smile at one, he smiles at you,
And so one smile makes two.

He smiled on someone since you smiled,
And then that one smiles back;
And that one smiles, until, in truth,

You keep in smiling track.
And since a smile can do great good
By cheering hearts of care,
Let's smile and smile and not forget
That smiles go everywhere."
